Warranty and Options

LIMITED WARRANTY

Superior Recreational Products (SRP) warrants that its product will be free from defects in materials and workmanship as well as maintain structural integrity for the periods listed below from the date of invoice and once SRP has been paid in full. This warranty is in effect only if the product has been assembled and installed strictly in accordance with the setup instructions provided by SRP, good construction practices, and has been subjected only to normal use and exposure.

- 7-year limited warranty on textured polyethylene coating
- 5-year limited warranty on Superdurable powder coat finish
- 1-year limited warranty on moving parts and materials not covered above

The Limited Warranty excludes abnormal conditions, contingent liability, cosmetic defects such as scratches, dents, marring, stripping, peeling, or fading; damage due to incorrect installation, vandalism, misuse, accident wear and tear from normal use; exposure to extreme weather, immersion in salt or chlorine water, damage due to sand, salt spray, or other abrasive and corrosive material; unauthorized repair or modification, abnormal use, or lack of maintenance. The warranty does not cover damages due to "acts of God" such as hail, flooding, lightning, tornadoes, sand storms, shifts of terrain, earthquakes, mud slides, and windstorms.

In the unlikely event of failure, SRP reserves the right to alter the design, color, or contributing factors to rectify the condition and help prevent any future reoccurrence(s). SRP has the option to repair or replace any defect in materials.

The warranty is void if any changes, modifications, additions, or attachments are made to the product without the written consent of the manufacturer.

SRP excludes any implied warranty of merchantability, fitness, or purpose, and there are no warranties which extend beyond the description of the face hereof. Under no circumstances will SRP be responsible for any indirect, special, consequential, incidental, or liquidated damages due to breach of warranty and such damages are specifically excluded from the warranty.

The owner shall notify SRP with original Sales Order Number issued from SRP to arrange for an inspection within 30 days after discovery of any defect under this warranty and before any alteration or repair is made or attempted. This Limited Warranty shall be null and void if the owner makes any alterations in design.

This warranty is the only express warranty given by the company. No person has authority to change or add to these obligations and liabilities. The company reserves the right to determine whether the fault is caused by faulty workmanship, material, or the part that is defective.

Powder Coat

Superior Recreational Products offers a 5-year limited warranty for Superdurable powder coat finish to the original purchaser. This limited warranty is for factory applied finish only. Damage occurring from shipping, erection, vandalism, accidents, or field modification is not covered and will require field touch-up immediately and periodically thereafter. The owner must report any defect in powder coat at the time the installation is completed. Not covered by this Limited Warranty are acute angles, welds, and end plates. The limited warranty for powder coating provides the following after a 5-year exposure period when applied according to the recommendations listed on the product's technical data sheet and appropriate surface preparation has been utilized.

- The coatings shall retain their original color with a ΔE of <7.5 units for high chroma colors, (Yellows, Reds, Oranges, ETC.) and a ΔE of<5.0 units for low chroma colors, when tested in accordance with ASTM D 2244.
- The coating shall retain a minimum of 50% of its original gloss level after washing, when tested in accordance with ASTM D 523.
- The coating shall exhibit chalking no worse than numerical rating of 6, when evaluated in accordance with ASTM D 659-80.

TOP AND SEAT COATING

Our powder-based textured polyethylene is placed in a fluidized vat where the product is dipped and then baked. Traditionally, polyethylene is very easily scratched and marred causing it to be difficult to fix. By using a ***textured surface***, SRP has eliminated this problem. Our textured polyethylene coating helps hide the scratches and marks, while keeping the product looking better longer. This coating is maintenance-free.

QUICK SHIP TERMS AND CONDITIONS

Quick ship orders are limited to quantities of 5 complete units or less of any of our quick ship items (a trash receptacle with lid, liner, and a mounting option qualifies as one complete unit). A combination of 5 of any quick ship item is also acceptable (5 benches and 5 tables). Quick ship items are only available with black frames and in select textured polyethylene coating colors.

Orders must be received by 2:00 p.m. EST to ship within 5 business days. Orders received after 2:00 p.m. EST will be processed the following business day and ship within 5 days of the order processing day. This does not include holidays. Orders containing quick ship and non-quick ship items will automatically default to standard production lead times. If 5 day shipping is desired for quick ship items on your order, a separate order must be submitted and additional freight charges will apply.

A $50.00 per day storage fee may apply for untimely third party pick-ups. Any canceled orders are subject to a 25% cancellation fee and a 15% restocking fee. Customization is not available on quick ship orders.
